

Application for permission to reproduce Resuscitation Council (UK) algorithms

The Resuscitation Council (UK) is usually willing to grant permission without charge for reproduction of the artwork contained in the algorithms (available on the website).

Name	Anne McConomy
Organisation	A2E Emergency response training services
Address Please include Post code	10 Marina Cottages, La Route de la Hougue Bie, St saviour JERSEY JE2 7UR
Email	a.mcconomy@health.gov.je / annemc69@hotmail.com
List of algorithms to be reproduced	Bradycardias Tachycardias BLS AED CPR Anaphylaxis
Purpose of reproduction	Training according to resus council guidelines UK. Training will be given by ALS and APLS instructor sonly

I apply for permission to reproduce the Resuscitation Council (UK) algorithms listed above and agree to the following conditions:

1. Permission is given only for the purpose stated above.
2. Each of the algorithms is reproduced without any alteration, addition, deletion or omission.
3. All reproductions include the acknowledgement "Reproduced with the kind permission of the Resuscitation Council (UK)".
4. Permission is non-exclusive. All use of the algorithms in further reprints, new editions or for any other purposes will necessitate a new application for permission.
5. In no event shall the Resuscitation Council (UK) be liable for any direct, special, incidental, indirect or consequential damages of any kind arising out of or in connection with the use of the algorithms published by third parties.
6. All resuscitation algorithms are based on International Liaison Committee on Resuscitation (ILCOR) recommendations and are subject to review every five years. As such, algorithms have a finite life span. The Resuscitation Council (UK) takes no responsibility for any consequences arising from the use of obsolete algorithms contained in any publication.
7. Copyright remains the property of the copyright holder (Resuscitation Council (UK)).
8. The reproduction of the algorithms is being undertaken to promote good practice.
9. The Resuscitation Council (UK) gives no warranty or undertaking that all necessary rights, releases or consents which may be required are currently available or will be obtained in the future.
