

**A2E COURSES  
2018**

## A2E

Unlike other first aid providers, our A2E instructors are highly qualified registered nurses and doctors - using our experience and expertise to teach you easy techniques to provide first aid and manage emergencies in a calm and effective manner.

Our courses are run in a relaxed manner with an emphasis on practice and simulation to ensure you get the most out of every course.

We are a first aid accredited centre with Quasafe so all courses meet HSE and Ofsted requirements

# Courses

We can provide any of the training described in this brochure on your premises at no extra cost (this includes evenings and weekends). In addition all courses can be tailored to your specific requirements. We can provide additional topics utilising the skills and experience of our instructors - if you need something not listed here, get in touch we will be able to help.
